Music Director's Report

The highlights of last season for me were Corey playing Schindler's List, Dvorak 8 and the Beethoven concert. I also enjoyed playing my own piece. The orchestra generally played very well, and I was pleased with our musical results.

Losing Jeannie Martire in July was a major blow. She was an incredibly reliable personnel manager, bassoonist and friend. We shall miss her.

My personal thanks go to the Board of Directors and the President, James Douketis, to Barry Matthews, our manager, to Graham Young, our librarian, and to all the volunteer and professional members of our orchestra
